

Naked Lavender - Pure Wild Lavender Candle

DESCRIPTION

A pure, single-note fragrance that captures the essence of fresh lavender fields — soothing, herbaceous, and deeply calming, designed to ease the mind and invite gentle relaxation.

Blend:

- **Lavender Essential Oil** — Delivers a soft, floral-herbaceous aroma with clean, slightly camphorous notes that calm the nervous system, reduce stress, and promote peaceful sleep.

The candle releases a gentle, enveloping wave of true lavender that instantly soothes anxiety, eases tension, and creates a serene atmosphere of quiet tranquility. Its clean, natural profile brings a sense of balance and restoration — evoking fresh-cut lavender bundles, warm summer evenings, and the comfort of deep, restful peace. Perfect for bedtime routines, meditation, stressful days when you need to unwind, or anytime you want to feel held in soft, healing calm and gentle serenity.
