Glass Electric Wax Melting Heater

DESCRIPTION

Elevate your space with the enchanting Electric Wax Melting Heater.

This adorable triple-owl design brings a touch of wisdom and warmth to any room. Perfect as a beautiful home accessory, this electric wax burner gently melts your favorite scented wax melts without an open flame, releasing soothing aromas that promote relaxation, calm, and well-being.

Key Features:

- **Charming Triple Owl Design** — Three wise owls perched together create a unique, eye-catching centerpiece for your living room, bedroom, meditation space, or office.
- **Safe & Efficient PTC Heating** — Uses advanced PTC technology for fast, even melting of wax melts with no open flame, making it safer than traditional candle burners.
- **Easy to Use** — Simply place your wax melt on the heating plate, plug in, and enjoy hours of beautiful fragrance.
- **Versatile Home Decor** — Combines functionality with charming ceramic craftsmanship. Ideal for aromatherapy, essential oil ambiance (with melts), and creating a cozy atmosphere.
- **Perfect Gift Idea** — A thoughtful present for owl lovers, housewarmings, birthdays, holidays, or anyone who enjoys natural home fragrances.

Whether you're melting calming lavender, uplifting citrus, grounding sandalwood, or any of our AllNaturals wax melts, this whimsical owl warmer turns your space into a peaceful sanctuary.

Specifications:

- Material: High-quality ceramic
- Power: Electric (PTC heating plate)
- Bulb: Not included (as per original)
- Perfect companion for our natural wax melts and essential oils

Bring home a little wisdom and warmth with the 3 Owl Electric Wax Melting Heater — where cute meets calming.

Pairs beautifully with wax melts and candles made from real essential oils — never synthetic fragrance — so what fills your room is true plant aroma, the way scent has been enjoyed for centuries.
