20 Herbs, 1 Pain Relief Tincture - Godsend Angels

DESCRIPTION

20 Pain-Relieving Herbs, in One Fast-Absorbing Tincture

This is the liquid form of our flagship blend — over 20 botanicals that relieve pain, taken by the dropper for fast, whole-body absorption. The same herbs people rub on in our salve, now working from the inside out.

A tincture is one of the oldest ways humans have ever taken plant medicine, and nearly every herb here has been used to ease pain and inflammation for generations across Western, Ayurvedic, and Chinese herbal traditions — with modern studies backing the anti-inflammatory action.

Why it works:

- **White Willow Bark & Devil's Claw** — the original plant pain-relievers; willow's salicin is the natural forerunner of aspirin.
- **Turmeric, Ginger, Frankincense & Holy Basil** — potent anti-inflammatories that calm the inflammation behind so much pain.
- **Valerian, Skullcap & Cramp Bark** — calming herbs that ease tension and muscle tightness.
- Plus cayenne, cinnamon, black pepper and more — true *polyherbal synergy* (why we use 20 herbs).

The herbal blend: Arnica, Rosemary, Marjoram, Turmeric, Ginger, Birch Leaf & Bark, Cayenne Pepper, Oregon Grape Root, Hawthorn, Lemongrass, Holy Basil, White Willow Bark, Peppermint, Valerian Root, Skullcap, Cramp Bark, Devil's Claw, Cinnamon, Frankincense, Black Pepper, plus our proprietary essential-oil blend. Base: vodka and vegetable glycerin (alcohol-free glycerin version on request).

What it relieves: everyday muscle and joint pain; back, neck, and shoulder aches; stiffness and soreness after activity; and the tension we carry day to day — eased from the inside out.

How to use: take 1–2 droppers (about 1–2 ml) under the tongue or in a little water, 2–3 times daily or as needed. For best absorption, hold under the tongue for 30–60 seconds before swallowing. Shake well first.

Disclaimer

This is a handcrafted herbal extract. It is not intended to diagnose, treat, cure, or prevent any disease, and it is not a substitute for medical care for a serious or persistent condition.

We recommend consulting a qualified integrative healthcare professional before use — especially if you are pregnant, nursing, have a medical condition, or take any medications.

Important safety information:

- For internal use.
- Contains alcohol (vodka) unless you choose the glycerin-only version.
- Not recommended for children. Keep out of reach of children.
- Store in a cool, dark place. Shake well before each use.
- Results may vary. Always use as directed.
