Clarity Focus Tincture - Celestial Wisdom

DESCRIPTION

Sharper Focus, Clearer Mind

This is a brain tonic, not a stimulant — it sharpens focus, clears the fog, and supports memory by feeding the mind rather than whipping it. It brings together seven of the mushrooms and herbs that Chinese and Ayurvedic medicine treasured for a clear, steady mind.

The blend:

- **Lion's Mane** — the prized mushroom long valued for the mind.
- **Ginkgo** — one of the oldest tree medicines, used to support circulation and memory.
- **Gotu Kola** — the Ayurvedic "brain food" for calm focus.
- **Ashwagandha** — Ayurveda's grounding adaptogen, to steady the mind under pressure.
- **Schisandra** — the Chinese "five-flavor" berry for focus and resilience.
- **Cordyceps** — a revered tonic mushroom of Tibetan and Chinese medicine.
- **Rhodiola** — for clear, steady mental energy.

What it does: sharpens focus and mental clarity, lifts brain fog, supports memory, and helps your mind stay sharp and steady under stress — calm, sustained concentration without the jitters.

How to use: take 1–2 droppers (about 1–2 ml) under the tongue or in a little water, 2–3 times daily or as needed. For best absorption, hold under the tongue for 30–60 seconds before swallowing. Shake well first.
