Masculine Awakening Tincture - Phonix Rising

DESCRIPTION

Real Men’s Vitality — Naturally

This blend boosts male energy, drive, and stamina, and supports healthy hormonal balance — using four of the most revered men’s tonic herbs in the world. These are the *vajikarana* herbs of Ayurveda and the prized men’s tonics of Chinese and Southeast Asian medicine, used for centuries to restore the vitality modern life depletes.

The blend:

- **Tribulus** — Ayurveda’s premier men’s vitality herb.
- **Epimedium (Horny Goat Weed)** — a legendary Chinese men’s tonic with a 2,000-year history.
- **Maca** — the Peruvian root taken for stamina, drive, and energy.
- **Tongkat Ali** — Southeast Asia’s most prized men’s tonic root.

What it does: boosts male energy, stamina, and drive, supports a healthy libido, and helps restore the foundational vitality that demanding modern life wears down.

How to use: take 1–2 droppers (about 1–2 ml) under the tongue or in a little water, 2–3 times daily or as needed. For best absorption, hold under the tongue for 30–60 seconds before swallowing. Shake well first.
